

"REACH YOUR POTENTIAL"

SIA ACADEMY

Reach your potential

Soccer Inter-Action was born with the objective of building an **international soccer academy** that focuses on the development of players towards excellence.

It is an initiative that combines **sport, education** and **technology**, in an ideal context to optimize the performance of players, coaches and teams.

Dario Aliaga

SIA Academy director

“The context is a factor that determines the player's performance. At SIA Academy we work to be the best in each of the aspects that have to do with the integral formation of the player.”

“In this way the player can develop his full potential and each of the coaches, tutors, psychologists, physiotherapists help so that our players can be closer to achieving the dream of reaching professional soccer.”
