**THE BEST PRESENT THIS CHRISTMAS**

# SOCCER INTER-ACTION

## About us

Soccer Inter-Action is a high performance soccer academy located in Enguera.

We play all the categories of the Valencian community league under the name CF Soccer Inter-Action.

Currently, we manage different top-level teams in the Valencian Community.

## Values

It is an initiative that combines football and education as the main pillars to train the player.

It was born with the objective of building an international academy that focuses on the players development towards excellence.

## Methodology

Our methodology is scientifically based and ensures the most appropriate way for the development of players, coaches and teams based on a quality game Idea, taking into account the demands of modern football.

## SOCCER INTER-ACTION HOME

### Accommodation

Rooms with private bathroom, air conditioning, desk, television.

### Home

Everything is in the same installation, so there is no need to go anywhere.

Residence + Facilities + fields.

Leisure area, restaurant, gym, natural and artificial football fields

## Soccer Camp

# Soccer Inter-Action

Soccer Inter-Action organizes this winter the sixth edition of the Soccer Inter-Action camps.

We have several years of experience organizing soccer camps in Enguera (Valencia). Necessary experience to improve year after year.

In addition, we have the endorsement of our annual program, which makes us improve throughout the year.

## COACHES

Our coaches have physical education graduates or have had team player experience.

In addition, they all have a coach's license and have several years of experience on the bench.

The coaches follow the same methodology to improve the level of each player.

# CAMP ACTIVITIES

**Soccer and education are our main values. Therefore, we believe that apart from the training workshops are necessary to educate each player, the workshops that we are going to carry out are the following:**

- Language classes (Spanish / English)

Spaniards will take English classes, while foreigners will take Spanish classes. Players who do not speak Spanish or English can choose the language.

- Psychology workshop

They will be group dynamics to give importance to the players psychological part during the match.

- Physical preparation / Gym

Every player must be fit to compete, therefore, we will teach them how to prepare before a match.

- Nutritional workshop

Knowing what we eat is important for the physical condition of each player.

- Video analysis

A footballer has to be aware of why he makes each play on the field.
